Note 1: Permanent Service: Service is defined as no less than scheduled, every other week pickup, unless local government requires more frequent service or unless putrescibles are involved. Customer will be charged for service requested, even if fewer containers are serviced on a particular trip. No credit will be given for partially-filled containers.

Note 2: Permanent Service: If rent is shown, the rate for the first pickup and each additional pickup must be the same. If rent is not shown, it is to be included in the rate for the first pickup.

Note 3: If a container is not ready and the driver must standby, the hourly rate in 15 minute increments shall apply.

Customers receiving service will receive a commodity price adjustment of \$1.08 debit per yard per pick-up, The commodity price adjustment will be adjusted annually using the deferred accounting method.

In addition to the commodity price adjustment customers will see an additional \$.99 debit per yard per pick-up on their bills due to a billing error that resulted in under-collection of the commodity price adjustment for the period of October 1, 2018 through August 31, 2019. This billing true-up will be collected from customers for the period of April 1, 2020 through March 31, 2021. (N)

Above rates include \$4.54 per yard, per pick-up for recycling service.

An additional charge of \$.75 per unit will be assessed to all Multi Family complexes who elect not to recycle or who do not provide adequate recycling service to the complex. Adequate recycling service is defined as 16-gallons of available recycling volume per multi-family unit, per week.

Accessorial charges assessed (lids, unlocking, unlatching, etc.)

\$1.09 per pickup for unlatching, unlocking gates and/or containers

*Lost container charge will apply if hauler is unable to retrieve a container from a stopped customer. Charge will be reversed if container is subsequently retrieved within 45-days after charge is applied.

Recycling service rates on this page expire on: February 28, 2021
