PENALTY ASSESSMENT TE-200175

**PLEASE NOTE:** You must complete and sign this document, and send it to the Commission within 15 days after you receive the penalty assessment. Use additional paper if needed. I have read and understand RCW 9A.72.020 (printed below), which states that making false statements under oath is a class B felony. I am over the age of 18, am competent to testify to the matters set forth below and I have personal knowledge of those matters. I hereby make, under oath, the following statements.

1. **Payment of penalty.** I admit that the violations occurred and enclose \$800 in payment of the penalty.

2. **Contest the violation(s).** I believe that the alleged violation(s) did not occur for the reasons I describe below (if you do not include reasons supporting your contest here, your request will be denied):

a) I ask for a hearing to present evidence on the information I provide above to an administrative law judge for a decision.

OR  b) I ask for a Commission decision based solely on the information I provide above.

3. **Application for mitigation.** I admit the violations, but I believe that the penalty should be reduced for the reasons set out below (if you do not include reasons supporting your application here, your request will be denied):

a) I ask for a hearing to present evidence on the information I provide above to an administrative law judge for a decision.

OR  b) I ask for a Commission decision based solely on the information I provide above.

I declare under penalty of perjury under the laws of the State of Washington that the foregoing, including information I have presented on any attachments, is true and correct.
