**Subject:** TG-200756 Peninsula Sanitation Service, Inc. Request for Extension of Time To Respond to Penalty Assessment to September 30

Good Morning Judge Pearson: This is to request an extension of time to respond to the above penalty assessment to Wednesday, September 30, 2020. This would afford additional time to counsel to obtain additional facts surrounding the assessment, including conferring further with both the company and importantly, the staff, and making an initial decision on either opposing or seeking to mitigate the proposed penalty. I have been in touch with Jason Sharp this morning who is ostensibly the lead on the assessment at this point, and he has no objection to the extension of the response period. Finally, should we not resolve the matter by September 30, I would plan to formally appear and understand ALD would set the matter for eventual hearing.

Thank you in advance for your consideration of this request.
