Rate Increase Notice	
Ann 1, 2020	
Dear Valued Contomer,	
In lite 2-127. Cakes autocord they restell because; resysteller mentule and institute racks quality requirement. Chem was the sight largest comment of resystellar from the lited States, consequently their experiments have impacted recycling programs all over the country. They are significantly, infected on ethicity to find in strain value markets to sell corrastration. These markets are been good a thinkingtonly you find a literature of the Whitespots Children and Tempoperation Commission, the enumouslity price adjustment will reflect an increase to you're recognize me enterorise and p. 2, 2010.	
Clums was the single largest consumer of recyclables from the United States, consequently these requirements have impacted recycling programs all over the country. They have significantly affected our ability to find and retain	
viable markets to sell our materials. These materials are being sold at historically low prices. If allowed by the Washington Utilities and Transportation Commission, the commodity price adjustment will reflect an increase	
to year recycung rate emective July 1, 2020.	
The commodity price adjustment is expected to go from no clarge to \$0.29 per month. This adjustment may be higher or lower based on the results of Commission's review. Prices will adjust every six to tracke months to respond to future matchet changes.	
respond to future market changes.	
The UTC has the authority to set final rates, depending on the outcome of its investigation. You can comment by	
using me "summa a comment" feature at the commission's wobsite at inc. wa gov, via email at consensity@atc. wa gov or by using the contact information below to write, call, or comment in person. Commission staff will make a	
recommendation to the commissioners at an open meeting in Lucey, which is scheduled for 9:30 a.m. on June 25, 2020. You will have an opportunity to comment in person at this meeting. The UTC is committed to providing	
The UTC has the arbority is set final time, depending on the outcome of an incorpiona. You can comment by using the "Manta Commants" destined to communicate whosh are depended using each or the commants who their commants are destined to a dependent on period. Commission shall make a recommendation to the commissions and one one mentaging it alone, which is a reliable for 20 year on these 25°, and in the 25°, and in the 25°, and in the 25° and in the 2	
If you are mable to attend the open meeting, the commission has a bridge line which enables you to participate by telephone. Call 596-664-1234 the day before the open meeting for instructions and to sign in a You should also call that sunther if you plan to should the open meeting in person, to make sure this case burn it been neshelated.	
tereprone. Call 390-804-1234 the day before the open meeting for instructions and to sign in. You should also call this number if you plan to attend the open meeting in person, to make sure flux case hasn't been rescheduled.

All pricing is provided on an estimated basis until the time of order placement and/or review of any furnished artwork or materials. All custom work is subject to industry standard overruns/underruns for most economical use of materials. In most cases, these will not exceed ± 10% of order quantity, but certain products may be up to ± 20%. All orders are quoted F.O.B. Factory unless otherwise specified in writing. Split shipments will incur an additional charge per location. All custom work is non-returnable. Cancelled orders may be billed for any work, time or materials used up to the point of cancellation. All samples, mock-ups, proofs and prototypes remain the property of Kore Group and must be returned unless otherwise specified in writing. Artwork corrections, file manipulation or other pre-production work required for customer furnished files will be billed hourly at the rate of \$95/hour. Minimum charge \$50.00.
