**Re: UG-200999 – Withdrawal of Petition for an Accounting Order Authorizing Deferred Accounting Treatment of Damage and Restoration Costs – White Salmon Outage**

Northwest Natural Gas Company, dba NW Natural (“NW Natural” or the “Company”), files herewith a withdrawal of its petition for an accounting order authorizing deferred accounting treatment of damage and restoration costs associated with the December 2020 outage in White Salmon, Washington.

Since the petition was filed, NW Natural received proceeds from an insurance carrier for a large portion of the costs it incurred during the outage. Therefore, NW Natural is withdrawing this petition and respectfully requests that this docket be closed.

Please address correspondence on this matter to me with copies to the following:
