RE: Commodity Price Adjustment for Mason County Garbage Co., Inc. G-88.

Dear Mr. Johnson:

Attached please find revised pages for Tariff Number 14, as well as supporting documentation for the commodity price adjustment (CPA).

The CPA will change from a debit of \$1.98 to a debit of \$1.28 (35%) per residential customer per month. There are approximately 14,150 residential customer affected by this change.

We respectfully ask that this filing be accepted under Less than Statutory Notice, per WAC 480-70-276. Should the Commission approve this filing under LSN, we request the new CPA go into effect on June 1, 2020.

The new CPA should have gone into effect on May 1, 2021. Unfortunately the Company missed the filing deadline required to allow the Commission enough time to review and approve the new CPA by May 1, 2021. If the CPA goes into effect on June 1, 2021 the payback period will be eleven months, with the CPA expiring on April 30, 2022, in order to keep the same CPA period.

Pursuant to WAC 480-70-271(2)(a)(vi), affected customers will receive notification of the change on the first billing reflecting the revised rates.

If you have any questions regarding this filing, please contact me at (360) 695-4923, or via email at heatherg@wcnx.org.

Sincerely,

Heather Garland
