Re: Notice of Intent to Send to Collections, DG-210373

Dear Mr. Borshch:

As you are aware, on June 24, 2021, the Utilities and Transportation Commission issued a penalty assessment against Tri City Excavation and BMI Construction in the amount of \$10,000 for violations of the Commission's dig laws. The penalty was due 15 days after the companies' receipt of that notice. On August 11, 2021, a Final Notice was sent to the companies in the amount of \$10,000, which was due on receipt. To date, the Commission has not received the balance due.

This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection. You will likely incur additional expenses and fees, including costs of collection, attorney's fees, and interest.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Kim Anderson at (360) 664-1153.

Very truly yours,

/s/ Jeff Roberson, WSBA No. 45550
