Public Notice

The following requests have been submitted to the Washington Utilities & Transportation Commission for their approval.

To whom it may concern:

November 24, 2021

This notice is to inform you that Lake Chelan Boat Company has submitted a request to the Washington Utilities & Transportation Commission for the following time schedule changes:

- * Adjusting the Lady of the Lake service on Fridays to a normal up and back run, to include the first two weekends in June and September after Labor Day through September 30, by removing the Uplake only on Fridays, and Downlake only on Saturdays, during this timeframe.
- * Extend the Lady of the Lake service to add back Wednesday service in July and August.
- * Extend the Lady Liberty service by adding an additional run to Friday, Saturday and Sunday in July and August.
- * Adjusting the Lady Liberty Wednesday schedule in July and August to a morning run up and back, to allow time for maintenance.
- * Delete Friday Lady Liberty service the first two weekends in October. This cuts 2 run days of service, which had low ridership.

Lake Chelan Boat Company will continue to adjust to provide the best run schedules and safest public transportation on Lake Chelan. Decisions will continue to be made based on essential travel, supply needs, and the safety of passengers and crew.

If you have questions or concerns for us, please email info@ladyofthelake.com or phone 509-682-4584. If you have questions or concerns that you would like to address with the UTC, phone 888-333-9882, or email comments@utc.wa.gov.
