RE: Application to Register as a Telecommunications Provider on behalf of
Belcom Corp. – Request for Confidential Treatment of Company
Financials

Dear Secretary Maxwell:

We are enclosing for filing on Belcom Corp's ("Belcom" or "Company") behalf a current balance sheet as the required attachment for the application. We are also submitting a redacted copy of the same financial data.

It is requested that the Company's financial data be handled confidentially in accordance with your established procedures pursuant to WAC 480-07-160.

Belcom states that its financial information is highly "Confidential and Proprietary."

These financial statements contain highly proprietary and confidential commercial and financial information, the disclosure of which to competitors, or potential competitors, would be detrimental to Belcom.

The telecommunications industry is highly competitive and it is imperative that public disclosure of confidential information contained in these statements be avoided because of the competitive harm which disclosure of such information would likely cause the company. The information is only available to certain legal and financial associates of Belcom.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

/s/ Leon Nowalsky
