WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION

**NOTICE OF PENALTIES INCURRED AND DUE
FOR VIOLATIONS OF LAWS AND RULES**

PENALTY ASSESSMENT: TR-220110
PENALTY AMOUNT: \$200

BNSF Railway Co.
2650 Lou Menk Drive
Fort Worth, TX

The Washington Utilities and Transportation Commission (Commission) believes BNSF Railway Co. (BNSF or Company) violated Washington Administrative Code (WAC) 480-62-225 – Crossing Surfaces, which requires railroad companies to maintain highway-rail grade crossing surfaces in a state of repair.

On May 19, 2021, Commission Grade Crossing Specialist Andy McMahon issued defect notice number 8268 to BNSF related to the crossing surface at the East 18th Street crossing in Tacoma, identified as USDOT 085798X. The crossing surface contained deteriorated asphalt and timber and the plane of the crossing was not even with the adjacent roadway surface. BNSF promptly acknowledged the defect notice and Commission staff (Staff) noted a correction date of November 19, 2021, for the defect repairs.

Staff requested a status update from BNSF on December 6, 2021. On December 7, 2021, BNSF informed Staff that the defect was corrected, and that BNSF would provide photographs confirming the repair by the end of that week. Staff did not receive the photographs from BNSF. On February 2, 2022, Staff sent a letter to BNSF requesting a response by February 14, 2022, with proof of correction or a timeline by which the defect would be corrected. Staff received no response from BNSF. On February 16, 2020, Staff re-inspected the East 18th Street crossing and observed that the defect remained uncorrected, and the crossing surface has not been repaired.

Revised Code of Washington (RCW) 81.04.405 allows penalties of \$100 for each violation. In the case of an ongoing violation, every day's continuance is considered a separate and distinct violation. The violation continued for two days from the deadline for BNSF's response until staff inspected the crossing. Accordingly, the Commission hereby notifies you that it is assessing a penalty against you in the amount of \$200.

This information, if proven at a hearing and not rebutted or explained, is sufficient to support the penalty assessment.

Your penalty is due and payable now. If you believe the violation did not occur, you may deny committing the violation and contest the penalty through evidence presented at a hearing or in writing. Alternatively, if there is a reason for the violation that you believe should excuse you from the penalty, you may ask for mitigation (reduction) of the penalty through evidence presented at a hearing or in writing. The Commission will grant a request for hearing only if material issues of law or fact require consideration of evidence and resolution in a hearing. Any request to contest the violation or for mitigation of the penalty must include a written statement
