**SCHEDULE NO. 5**  
**DECEMBER 2021 PUMP REPAIR SURCHARGE**

**Availability**

(N)

This schedule is available in all Water Service Areas served by the Utility and at Utility's option and capability to maintain Department of Health standards of quantity and quality.

**Applicable**

Applicable to any connection or customer of the Utility.

**Conditions**

The charge for this service is not subject to cancellation or reduction for seasonal or temporary periods. This charge will be the monthly minimum bill for this class of service and will be in addition to other charges as provided in this tariff.

**Purpose**

This surcharge is to fund a portion of the capital funds needed for the December 2021 Pump Repair. The project was needed to maintain water service to our customers and was undertaken to avoid delays in service and potential water outages.

This surcharge will repay the vendor used for the immediate repairs. Currently the funds are being repaid to the vendor in the amount of \$36,704. The vendor will be repaid all funds at 10% interest on the outstanding balance. The surcharge will expire on November 30, 2025, or recovery of \$36,704 plus interest and taxes, whichever occurs first.
