SERVICE CONNECTION CHARGES

A. General

1. A service charge consisting of one or more of the charges shown in this section is applicable for the following activities undertaken at Customer request:
 - a. Connections
 - b. Changes of class, type or grade of service
2. The charges specified herein do not contemplate work begun being interrupted by the Customer. If the Customer interrupts work once begun, a charge in addition to the specified charges will be made equal to the additional cost involved.

B. Conditions

1. Installation charges are in addition to rates and any other charges normally applying under the Tariffs, except where such application is specifically excluded. They apply in addition to other installation, change, termination or construction charges specifically stated in connection with the various services described in the Company's Tariffs. The non-recurring charges in this Tariff section also apply for service connection or change of services that have no other non-recurring charge. (T)
(T)
2. Payment of Service Charges
 - a. Payment of service charges for the initial establishment of service may be required prior to the establishment of service. (See General Rules and Regulations).

SERVICE CONNECTION CHARGES

C. Applications

1. Charges

- a. The installation charge encompasses receiving and processing an order for service at a customers premise or for any requested change that effects such service. The charge applies once for each access line for all installations, moves and changes, ordered or contracted for by the customer at the same time and for the same due date. The charge is applicable to any work done to connect the customers facilities at the central office and between the central office and the station interface protector at the customers premise, if applicable. (T)(D)
- b. Supersedure charge is in lieu of the Service Order charge and is the transfer of service, telephone number and billing responsibility from one customer to another as defined in the Definitions sections of this Tariff. (T)
