RE: Extension of Effective Date – TG-230167– Tariff Revision to Item 240-Container Service—Dumped in Company's Vehicle--for Yakima Waste Systems, Inc., Certificate Number G-89. Please do not re-docket TG-230167.

Dear Ms. Maxwell:

Yakima Waste Systems, Inc. is requesting a 30-day extension in TG-230167, which if approved by the Commission, will extend the effective date of the tariff to June 1, 2023. We request this extension due to operational delays that we need additional time to complete prior to changing the tariff.

We appreciate the Commission's consideration in this matter.
