**Re: Notice of Intent to Send to Collections, DG-230195**

Dear Mr. Holland:

As you are aware, on April 3, 2023, the Utilities and Transportation Commission issued a penalty assessment against Precision Excavating in the amount of \$1,000 for violations of the Commission's dig laws. The penalty was due 15 days after the company's receipt of that notice. On May 31, 2023, a Final Notice was sent to Precision Excavating in the amount of \$1,000, which was due on receipt. To date, the Commission has not received the balance due.

**This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection.** You will likely incur additional expenses and fees, including costs of collection, attorney's fees and interest, which will be added to your \$1,000 balance.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Kim Anderson at (360) 664-1153.

Very truly yours,

*/s/ Jeff Roberson*, WSBA No. 45550
