Re: TV-230732– Granting Temporary Household Goods Authority, Subject to Conditions,
Pending Decision on Permanent Authority - THG071061

Dear Topher Ventures Inc.:

On September 11, 2023, Topher Ventures Inc., d/b/a College Hunks Hauling Junk & College Hunks Moving, filed an application with the Washington Utilities and Transportation Commission (Commission) to provide residential household goods transportation services in the state of Washington. You have met the initial application requirements by attending Household Goods training on June 18, 2023. The Commission provisionally grants your application and Topher Ventures Inc. is now authorized to operate on a **temporary** basis.

The Commission will evaluate whether Topher Ventures Inc. qualifies for permanent authority. To qualify for permanent authority, your company must satisfy the following requirements:

1. Operate for at least six months.
2. Allow the Commission to review your business operations and records. Commission staff will review records and inspect vehicle(s), and you must receive a satisfactory safety rating as a result of that review.
3. Complete a criminal background check on each person Topher Ventures Inc. employs or intends to employ. The Commission will not grant permanent authority if any company employee has been convicted of any crime within the past five years involving theft, burglary, assault, sexual misconduct, identity theft, fraud, false statements, or the manufacture, sale, or distribution of a controlled substance. Even if a conviction for any of these offenses is more than five years old, the Commission will not grant permanent authority if it determines that the nature or extent of the crime(s) will likely interfere with the proper operation of a household goods moving company.
4. Pay any outstanding monetary penalty or fee owed to the Commission.

5. Resolve all consumer complaints pending with the Commission.

Enclosed with this letter are copies of Topher Ventures Inc.'s provisional permit and a copy of a self-addressed consumer survey to assist the Commission in evaluating Topher Ventures Inc.'s application. Please provide a copy of this survey to your first 10 customers and ask them to complete and mail it to the Commission at the address on the reverse side.

The Commission may cancel your provisional authority if you violate any applicable state law, Commission rule or tariff provision. If you have any questions, please contact Licensing Services at 360-664-1222 or by email at transportation@utc.wa.gov.

Sincerely,

Patrick Remfrey
