**BEFORE THE WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION
LESS THAN STATUTORY NOTICE REQUESTED BY:**

*** Company proposes to change (Include Title of Provision, Tariff number and Sheets/Pages being changed):**
Tariff #24, Tariff changes and Notifications for Tip Fee Increase

*** Present provisions are:**
45 day notice to customers for all tariff changes. Solid Waste Companies are also supposed to receive 75 day notice for all tip fee increases per RCW 70A.205.160.

*** Proposed changes are:**
Notify customers on the first bill as stated in WAC 480-70-271(2)(a).

*** Explain why the company is proposing this tariff revision:**
Notifying customers on the first bill has been the historic practice and follows WAC 480-70-271(2)(a).

*** Explain why the Commission should allow this tariff revision to take effect with less than 30 days' notice (45 days' notice for solid waste):**
The Company received notice of the tip fee increase effective July 1, 2024 on June 2, 2024. This is less than 45 days' notice to the Company, whereas RCW 70A.205.160 requires that Solid Waste Companies receive 75 days' notice of tip fee increases so that they have sufficient time to submit tariffs for public comments. Additionally, the historic practice is to notify customers of a tip fee increase on the first bill per WAC 480-70-271(2)(a).
