**NOTICE OF INTENT TO CANCEL CERTIFICATION AS A
NONPROFIT TRANSPORTATION PROVIDER AND
OPPORTUNITY TO REQUEST A HEARING**

Re: Docket TN-240612
The Evangelical Lutheran Good Samaritan Society

Staff of the Washington Utilities and Transportation Commission (Commission) has determined that you have failed to comply with regulatory reporting requirements and/or failed to pay required regulatory fees.

Under WAC 480-31-080, every private, nonprofit transportation provider must file an annual report and pay an annual fee for each vehicle operated by May 1 of each year.

WAC 480-31-052(2)(b) provides that the Commission may cancel the certificate of a private, nonprofit transportation entity that fails to file its annual report or pay the annual vehicle fees. Staff has determined that, as of the date of this notice, each of the above-named companies has not filed a complete annual report or paid the annual vehicle fees that were due by May 1, 2024, or has done neither.

The Commission, therefore, intends to cancel your certificate.

To avoid cancellation of your registration, you must take one of the following two actions **within 30 days of the date of this notice:**

- (1) Come into compliance with applicable law by submitting the delinquent annual report and paying the required regulatory fee (annual report forms as well as information on how to make a payment are available on the Commission's website: www.utc.wa.gov); or
- (2) Request a hearing to demonstrate why your registration should not be canceled. All hearing requests must comply with the Commission's procedural rules, contained in WAC 480-07, which are available on the Commission's website

on its [Legal Research Tools](#) page.

If you do not respond to this notice within 30 days of the service date of this notice by complying with the regulatory requirements or by requesting a hearing, the Commission will enter an order canceling your certificate without further notice. Entities without the required private, nonprofit transportation provider certificate from the Commission are prohibited from providing transportation services to persons with special transportation needs in the state of Washington.

If you have questions regarding this notice, you may contact Esther Neal, Regulatory Analyst, at (360) 664-1157 or at annualreporting@utc.wa.gov.
