Dear Mr. Killip:

Sound Disposal Holdings, Inc. dba Sound Disposal, Inc. (G-82) is submitting this yardwaste disposal fee filing to recover increased costs for disposal charges at Cedar Grove Composting that will go into effect April 1, 2025. Supporting workpapers and revised tariff pages are included.

Sound will notify customers of these changes on the next regular billing under the provision of WAC 480-70-271(2)(a)(iii). Therefore, an LSN request is also being provided, in compliance with commission staff's clarification for customer notices regarding RCW 81.28.050.

The requested effective date for this tariff revision is April 1, 2025. If approved by the commission, the company's overall revenue and costs will increase by approximately \$3,690 (0.2 percent).
