Dear Mr. Killip

Enclosed are proposed revision to Tariff No. 10.1 of Ada-Lin Waste Systems, Inc. d/b/a Sunshine Disposal & Recycling (G-104) in Lincoln and Adams Counties.

This filing updates due to increases in disposal rates in Lincoln County and at the Sunshine Recyclers transfer station. If approved, rates will increase approximately \$12,000 annually or about 1%.

We request LSN treatment with respect to customer notification with rates to become effective April 1, 2025. Customers will be notified on their next regular billings
