Dear Ms. Maxwell:

Our Company was notified that effective October 1, 2025 the B&O tax is set to increase from 1.75% to 2.10%. With this filing, we respectfully request the Commission approve a rate increase to pass this increase through to customers.

The increase is proposed as follows: Residential service \$76,900, 0.38%; commercial service \$47,800, 0.38%; and roll-off service \$2,000, 0.38%. There are approximately 2,500 residential; 240 commercial; and 5 roll-off customers affected by this change. Residential recycling services will increase by approximately \$950, 0.38%. There are approximately 1,500 residential recycling customers.

The last general rate increase approved by the Commission became effective May 1, 2023.

Attached are the proposed tariff pages containing the increased rates, as well as supporting documentation for those changes. If these rates are approved by the Washington Utilities and Transportation Commission they are intended to become effective on October 1, 2025.

We respectfully ask that this filing be accepted under LSN, per WAC 480-70-276 for customer notification. If the LSN is accepted and these rates are approved by the Washington Utilities and Transportation Commission, the rates will become effective on October 1, 2025. Pursuant to WAC 480-70-271(2)(a)(iii), affected customers will receive notification of this change on the billing reflecting the revised rates.
