

Dear Carole Washburn,

I am writing to you in hopes that you will strongly help Recycle Whidbey bring a recycling program to the South end of Whidbey Island. When I moved here from the big city I was in shock that there was no recycling program in place. There is no service here for curb side recycle pickup and it is desperately needed. I have tried to save up my recycling and take it to the recycling center, but it is very time consuming. Time I just don't have.

I don't see how this new service from Recycle Whidbey would impair the business of Island Disposal. Island Disposal isn't offering curb side pickup. I want to know how they see it as competition.

Please vote, rule, push for, or what ever you have to do to get Recycle Whidbey up and running. I am one of many people who are willing to pay \$ for someone to pickup our recycling and help the environment.

Thank You,

Dayna Johnson
