Dear Mr. Johnson:

Re: Docket No. UT-180831

Hat Island Company has not had a single denial of service to any customer in the past six months. As such, we have nothing to file with the Washington Utilities and Transportation Commission. Hat Island Telephone Company requests relief from the retention of service denial records effective immediately as provided in the Docket UT-171082.

Please feel free to contact me if you have any questions.
