RE: UT-200001
2019 Lifeline ETC annual filing

Attached please find the Annual Lifeline Eligible Telecommunications Carrier Certification Form 555 for Computer 5, Inc. d/b/a LocalTel Communications based on the 2019 company results.

As you can see, Computer 5 has not yet rolled out the program to its subscribers. We did not receive final authorization until mid-October for the Lifeline program. We then decided to rollout the program once Washington State was added to the National Verifier database which just recently happened. We are now in the process of rolling out the program.

A PDF version of the filing is the only format available this year.

If you have any questions concerning this matter or regarding the attached information, please contact me at 509-888-9121 or via e-mail at John@Localtel.com.

Respectfully,

John J. Seabeck
Vice President
Computer 5, Inc. d/b/a LocalTel Communications
