Dear Andrew Oconnell,

This is an email to request for our 2 year probation to be terminated after payment of full balance is made. We have a balance of about \$2500 due. Here at JFS Transport Inc we understand there is a 2 year probation.

And we have since made sure ALL paperwork is filled out by our team and the customer (Bill Of Lading, Estimate, Cube Sheet, Etc)

This is a request to have the probation terminated after balance paid in full. Please let us know your thoughts.

Thank You so much for your time.

Sincerely,
Jonathon Sheridan
