Attn: Dave Lykken, Pipeline Safety Director

Subject: Relief Vent Program Notice of Completion (Docket PG-050331 & PG-050516)

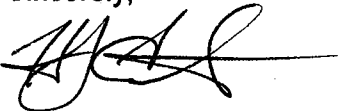

Dear Mr. Lykken,

Pursuant to Dockets PG-050331 and PG-050516, Puget Sound Energy (PSE) is hereby reporting the completion of the Relief Vent program and providing the WUTC with its final status report.

The attached table shows the final counts for PVC and horizontal vents inspected and remediated under the program. The program was completed as of September 21, 2009.

If you have any questions regarding this report, please contact me at 425-462-3967.

Sincerely,

Helge Ferchert
Manager, Gas Compliance and Regulatory Audits
