Att: Carol Washburn, Executive Secretary

Dear Ms Washburn

RE: Docket # UT-073014 Telecommunications Extension

Homeowners on North Triton Heights Road, Lilliwaup, WA have been denied phone service by Qwest after numerous attempts.

These homeowners desperately need telephone service for health emergencies and home business needs. Cell phones are not reliable in this area off Highway 101. Please make these requests known to your rule-making committee at your Monday meeting

Our home is being built at 660 North Triton Heights Road, Lilliwaup and telephone service is essential to our safety and economic well-being.

Sincerely,

Folke and Marjorie Olson  
Olson Family Trust
