RE: *Washington Utilities and Transportation Commission v. Murrey's Disposal Company, Inc., et al.*, Dockets TG-111672, TG-111674 & TG-111681  
(consolidated)

TO ALL PARTIES:

On November 15, 2011, the Washington Utilities and Transportation Commission (Commission) issued Order 03 in the above-referenced dockets (Consolidated Dockets) establishing a procedural schedule, including setting dates for evidentiary hearings on January 11-12, 2012.

On December 20, 2011, the Commission issued a Notice of Workshop and Notice of Recessed Open Meeting for January 9, 2012, in Docket TG-112162, to address recycling revenue sharing programs operated by regulated solid waste collection companies. As stated in that Notice, “[t]he purpose of the workshop is to provide a forum for a general discussion of the recycling revenue sharing programs; the roles and responsibilities of the companies, counties and Commission; required elements of a recycling plan; and goals and performance incentives.” The issues in the Consolidated Dockets overlap, at least in part, with the issues to be discussed at the workshop.

To enable the parties in the Consolidated Dockets to participate meaningfully in the workshop in Docket TG-112162 and to incorporate the discussion and any results of that workshop into this proceeding, as necessary, the Commission finds good cause to continue the evidentiary hearings in the Consolidated Dockets until March 15-16, 2012.

The Commission will also schedule a prehearing conference on March 1, 2012, to establish the procedures for those hearings.

**NOTICE IS GIVEN that the Commission cancels the evidentiary hearings scheduled for January 11-12, 2012, and reschedules those hearings for March 15, 2012, beginning at 9:30 a.m., and continuing thereafter, as necessary, on March 16, 2012. The Commission also schedules a prehearing conference on March 1, 2012, at 1:30 p.m., in the Commission's Hearing Room, Second Floor, Richard Hemstad Building, 1300 S. Evergreen Park Drive S.W., Olympia, Washington.**
