Re: *Washington Utilities and Transportation Commission v. Puget Sound Energy, Inc.*, Docket UE-120277

TO ALL PARTIES:

The Washington Utilities and Transportation Commission (Commission) entered Order 02, Order Granting Summary Determination to Puget Sound Energy, Inc., and Authorizing Tariff Filing in this docket on June 26, 2012. The Order authorized and required Puget Sound Energy, Inc. (PSE) to file tariff sheets that are necessary and sufficient to effectuate the terms of the Order, placing into effect rates based on the same methods and forms of calculation used to determine the proposed rates previously filed on February 29, 2012, as subsequently revised by filing on March 29, 2012. The Order authorized the Commission Secretary to accept by letter, with copies to all parties, revised tariff sheets that comply with the requirements of Order 02.

On June 28, 2012, PSE filed the following portions of the Company's WN U-60 tariff for electric service:

- 7th Revision of Sheet No. 95-f-Schedule 95A-Federal Incentive Tracker
- 7th Revision of Sheet No. 95-g-Schedule 95A-Federal Incentive Tracker (Continued)
- 8th Revision of Sheet No. 95-h-Schedule 95A-Federal Incentive Tracker (Continued)
- 8th Revision of Sheet No. 95-i-Schedule 95A-Federal Incentive Tracker (Continued)
- 7th Revision of Sheet No. 95-j-Schedule 95A-Federal Incentive Tracker (Continued)

The Commission has examined the filing and it appears to comply with the terms of Order 02.

Therefore, pursuant to terms of the Commission's Order 02 in this proceeding, the tariff sheets stated in this letter will become effective as filed with an effective date of July 3, 2012.

Sincerely,

DAVID W. DANNER
Executive Director and Secretary
