(By September 4, 2015)**

RE: *Washington Utilities and Transportation Commission v. Iliad Water Service, Inc.*,
Docket No. UW-150311

TO ALL PARTIES:

On February 23, 2015, Iliad Water Service, Inc. (Iliad Water Service or Company), filed with the Washington Utilities and Transportation Commission (Commission) a proposed rate increase that would generate \$25,141 (31.4 percent) additional annual revenue. On June 8, 2015, the Commission convened a prehearing conference and adopted a procedural schedule.

On August 7, 2015, Commission staff (Staff) requested, on behalf of the parties, that the remaining procedural schedule be temporarily suspended and that the parties be permitted to file a report on the status of their settlement negotiations no later than August 12. In the event the parties are unable to reach a settlement, the Company agreed to adjust the suspension date of its filing to accommodate a revised procedural schedule. On August 8, the Commission granted the parties' request and suspended the procedural schedule based on the Company's agreement to conditionally waive the suspension date. On August 12, Staff requested that the parties be permitted to file a second report on the status of their settlement negotiations no later than August 19. The Commission granted the parties' request.

On August 19, 2015, Staff filed a status report on behalf of the parties. Staff explained that the parties have reached an agreement in principle, but need additional time to memorialize their agreement. Accordingly, the parties propose to file their settlement agreement and supporting documents, or at least another status report, no later than Friday, September 4, 2015.

The Commission finds good cause to continue to suspend the procedural schedule and grants the parties' request. The parties must file either a settlement agreement and supporting documentation or a report on the status of their settlement negotiations by September 4, 2015.

THE COMMISSION GIVES NOTICE That by September 4, 2015, the parties must file either a settlement agreement and supporting documentation or a status report of their negotiations.
