QWEST'S SUPPORTING DOCUMENTS –
Supplemental Information

1 Pursuant to the Commission's July 31, 2012 Notice, Qwest hereby submits the following Supplemental Information in connection with Qwest's Supporting Documents. As noted in the cover letter, these provisions were inadvertently omitted from the original filing, but were later provided to Level 3 in response to a data request.

2 These additional provisions in the Level 3 ICA reference Qwest's tariffs.

4.22 "Exchange Access (IntraLATA Toll)" is defined in accordance with Qwest's current IntraLATA toll serving areas, as determined by Qwest's state and interstate Tariffs and excludes toll provided using Switched Access purchased by an IXC.

7.3.1 Interconnection Facility Options

The Reciprocal Compensation Provisions of this Agreement shall apply to the exchange of Exchange Service (EAS/Local) traffic between CLEC's network and Qwest's network. **Where either Party acts as an IntraLATA Toll provider, each Party shall bill the other the appropriate charges pursuant to its respective Tariff or Price Lists.** Where either Party interconnects and delivers traffic to the other from third parties, each Party shall bill such third parties the appropriate charges pursuant to its respective Tariffs, Price Lists or contractual offerings for such third party terminations. Absent a separately negotiated agreement to the contrary, the Parties will directly exchange traffic between their respective networks without the use of third party transit providers. (Emphasis added).
