 Did you know that production and transportation of paper bills and check payments in the United States use 755 million pounds of paper and 512 million gallons of gasoline? (source: Pay It Green Alliance)

Our paperless billing and automatic online payment option allows you to set up automatic payments so your bills are paid automatically every month on the due date. You will help protect the environment by getting e-mail alerts rather than paper bills and enjoy the ease of paying your bill online without sending checks.

Your bills can be printed from our website to keep for your records. If you have questions, call us toll-free any time at 1-800-538-4228 for assistance.

Take an even bigger step to minimize your environmental footprint by enrolling in our Blue Sky renewable energy program.

Add Automatic Payments

Customer:

Step 1: Set up automatic payment frequency.

Account Number:

Automatically pay every new invoice up to a specified limit.

Payment Amount: **Invoice amount due up to a maximum of:** \$ (leave blank for no max.)

Frequency: Date due

Please note that a payment draft will NOT occur if your bill amount exceeds the maximum amount with your next bill. However, if you choose to pay your current balance now, the full balance will draft even if it exceeds the maximum amount indicated above.

If entering a new payment method, select [Enter a new bank account] from the drop down list in Step 2, and click Submit.

Step 2: Enter automatic payment options.
