Dear Connie,

Following are the minor typos I found in the electronic file (AGREE2A.DOC) which we provided to you last Friday morning:

§13.1 - *Force Majeure* - No double underline in bolded sentence.

§14 - *Certain State and Local Taxes* - delete - "so obligated to pay any such taxes" and "obligated to collect and remit".

§22.8 - *Referenced Documents* - add at end "ordered by AT&T" and remove the double underline so the last sentence reads: "Should there be an inconsistency between or among publications or standards, AT&T shall elect which requirement shall apply to the Local Services, Unbundled Elements, or Ancillary Functions ordered by AT&T." and in bold.

§22.11 - *Publicity and Advertising* - Language agreed, single underline.

§22.12 - *Amendments or Waivers* - Language agreed, single underline.

§22.18 - *Subsequent Law* - Language agreed, single underline.

§22.19 - *Trademarks and Trade Names* - Language agreed, single underline.

§26 - *Advanced Intelligent Network* - All of Section 26 should be bold.

§27.8 - *Pay Phones and Pay Phone Services* - Entire Section should be bold, not double underlined.

I can be reached tomorrow on 908-508-9005 (or 233-3931) if you have any questions.
