Please link to the article listed below...

<http://appvoices.org/2013/09/26/local-citizens-speak-up-about-nations-top-source-of-toxic-water-pollution-coal-burning-waste/>

AS a PSE customer, I urge to do what is morally correct... shut down the Colstrip Montana plant. The link above is an example of what happens to people nearby.... Then think about Climate Change too. We hold YOU responsible for your actions. Do what is right for the region, the state, the country and the planet. Thank you for consulting your conscience. Sincerely, Lynne Oulman
