Extended Calling Area

Your extended calling area covers the states of Washington, Oregon, and Idaho.

-  Extended Calling Area
-  Off-Network Service Roaming
-  Sprint Nationwide PCS Network
-  Additional PCS Service

Extended Calling Area — The area in which you can make calls and get nationwide long distance and unlimited Night & Weekend Minutes on a PCS Free & Clear Area-wide Plan.

Sprint Nationwide PCS Network — Only Sprint built the largest all-digital, all-PCS nationwide network with advanced multimedia services reaching more than 230 million people for clarity you can see and hear. Now with PCS VisionSM, you get rich color visuals and advanced multimedia services on the enhanced Sprint Nationwide PCS Network for clarity you can see and hear.

Off-Network Service Roaming — Sprint also provides off-network service-known as roaming-on other wireless networks for those occasions when you need to make a call and you're not in a PCS Service Area. While you're roaming, some features may not be available, and you may incur additional per-minute charges.

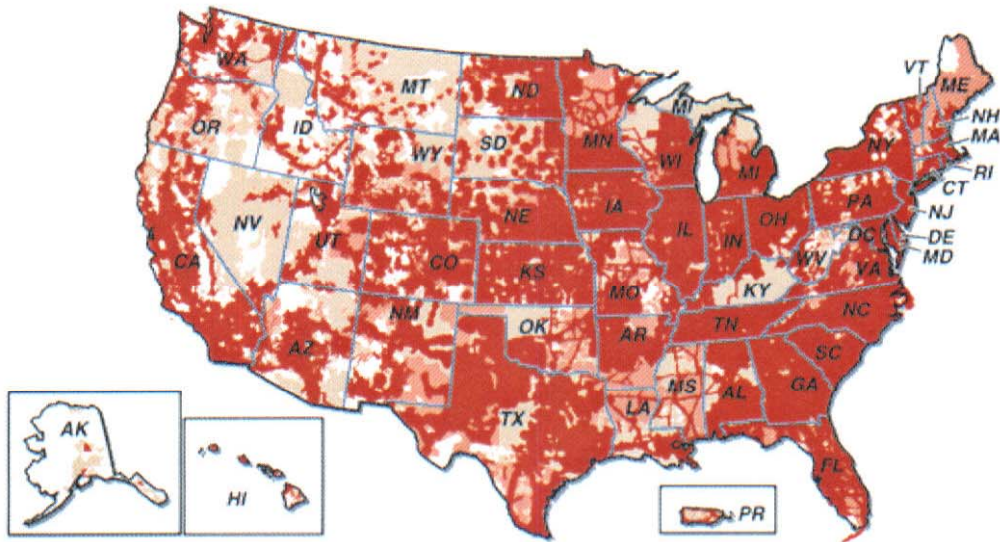

Additional PCS Service — As always, you can get crystal-clear calls in these areas as well as on the Sprint Nationwide PCS Network. In these areas, however, PCS VisionSM is not available.

Service area maps approximate our service areas based on computer-generated radio-frequency coverage projections and information provided by third parties, but are not a guarantee of service availability. Actual coverage, quality and availability of coverage may vary based on network capacity, problems, signal strength, your equipment, terrain, weather and other limitations or conditions. Planned service areas are subject to
