Re: Docket No. UT-033044 Order No. 03

Dear Ms. Washburn:

U. S. TelePacific Corp. dba TelePacific Communications has just received the Commission's Order in the referenced Docket. Although the company is a certificated competitive local exchange carrier in Washington it is not operating and has no equipment or facilities and no customers in the state. We are providing this letter as the Company's response to the Order Requiring Disclosure of Information and to inform the Commission that the Company should not be included among those "CLECs providing telecommunications service in Washington state" that are required to provide the requested information..

If you require any additional information please contact me at telephone number 213-213-3288 or via e-mail to jdelahanty@telepacific.com.

Very truly yours,

Jane Z. Delahanty
