The purpose of this substitute tariff filing is to, 1) change the effective date to February 12, 2016, 2) correct a typographical error in the original transmittal letter regarding the minimum volume requirement, and 3) add clarification regarding the monthly basic charge on Sheet 188R-A. This substitution is provided for in WAC 480-80-111(b) as the revision does not increase the rates reflected in the pending tariff sheets.
