PacifiCorp d/b/a Pacific Power & Light Company (PacifiCorp) submitted its 2023 Washington Annual Conservation Report to the Washington Utilities and Transportation Commission on May 31, 2024.

In a review with Washington Utilities and Transportation Commission staff, it was discovered that the company had some errors in reporting as outlined below.

File	Location	Explanation
2023 Washington Annual Review of Energy Efficiency Programs	Page 30	Updated HES to add to the wording, and to match same content being provided for the Clean Energy Implementation Plan progress report due 7/1/2024.
2023 Washington Annual Review of Energy Efficiency Programs	Table 2	Updated total kWh savings (at gen) in last two lines in Table 2 to match same data in Table 3.
2023 Washington Annual Review of Energy Efficiency Programs	Table 4	Updated Estimated Peak Contribution to include value @ site and generator.

As a result of the revisions and further guidance from staff, PacifiCorp is providing updated versions of the following documents in support of the report:

1. 2023 Washington Annual Review of Energy Efficiency Programs - Revised
