

**Before the Washington Utilities and Transportation Commission**

**Docket No. TO-011472**

**Olympic Pipe Line Company's Response to Bench Data Requests**

**BENCH DATA REQUEST NO. 1 (supplemental)**

**Request:**

Please provide information regarding the current applicable electric rates and schedules for Bayview and the projected costs to the Bayview facilities under these rates.

**Supplemental Response on August 6, 2002:**

The spreadsheet provided in the initial response contained a clerical error in the rates and schedules. Please see the attached spreadsheet, which provides the corrected amounts and highlights the corrected information in the rates and schedules.
