NWEC AND FRONT AND CENTERED DATA REQUEST NO. 020:

Re: Equity Data

For each “highly impacted community” identified immediately above, please provide the “customer benefit data”:

- a. Without implementation of the CEIP;
- b. With implementation of the CEIP.

Response:

Puget Sound Energy did not perform a customer benefit data analysis "without implementation of the Clean Energy Implementation Plan (“CEIP”)”, nor does it have a basis for conducting such an evaluation. A description of customer benefit data analysis for the CEIP, specifically the customer benefit indicators and metrics for highly impacted communities, is contained in [Chapter 3](#).
