Request to Extend Suspension Date

Kippi, This will confirm the conversation we had this morning. Inland does not have an objection to the extension of the suspension date to November 20, 2006.

Rick,

The suspension date in the above matter is September 2. Due to Commissioner's schedules and workload issues, it has become necessary to further extend the suspension date to November 20. Please let me know if you are willing to extend the suspension date and, if so, submit a letter of extension to the Commission.

Thank you,
