Public Utility Commission of Oregon Conditional Approval of the 2017R Request
for Proposals**

Pacific Power & Light Company (Pacific Power or Company), a division of PacifiCorp, submits the Public Utility Commission of Oregon's (Oregon Commission) conditional approval of PacifiCorp's 2017 Renewable Request for Proposals (2017R RFP) to the Washington Utilities and Transportation Commission (Commission).

Pacific Power committed to provide the Commission with informational filings related to the 2017R RFP on the same timeline that documents are provided to the Oregon Commission. As discussed in the May 28, 2017 meeting with Commission staff and the July 11, 2017 Recessed Open Meeting, the Company's intent is to keep the Commission and stakeholders in Washington updated on the progress of the 2017R RFP by providing these informational filings in this docket.

Pacific Power will provide an update on the final shortlist for the 2017R RFP in January 2018.
