Re: WUTC v. Pacific Power & Light Co.  
**Dockets UE-140762 et al.**

Dear Judge Moss:

Based on recent discussions, Boise White Paper, L.L.C. (“Boise”) has been authorized by Commission Staff, Public Counsel, and all intervening parties to the above-referenced dockets, to communicate the agreement of all such parties to postpone the settlement conference presently scheduled for Tuesday, October 21, 2014. Boise has also been authorized by Pacific Power & Light Co. (the “Company”) to state that the Company is amenable to delaying the settlement conference until sometime after the filing of rebuttal and cross-answering testimony on November 14, 2014.

Accordingly, on behalf of the Company and all other parties, Boise requests that the October 21, 2014 settlement conference be postponed until a time to be determined later. Please feel free to contact me if you have any questions.

Sincerely yours,

Jesse E. Cowell
