RE: Docket UT 050814

Dear Ms. Washburn:

Enclosed for filing are the original and twelve copies of Integra's Motion to Compel. Today I also sent PDF and Word versions of the enclosed by email to the Records Center and the service list. Because of the length of the attachment to the Motion to Compel, I am including hard copies of the attachment with the Commission's copies, as well as the copy to Verizon's counsel, Ms. Endejan. The remaining parties on the service list may print a copy of the attachment from my email today or contact me for a hard copy.

Thank you for your attention to this matter. Please feel free to call if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Jay Nusbaum", with a long horizontal line extending to the right.
