RE: Avista Corporation – Docket No. UG-210729 – Substitute Compliance Filing

Dear Ms. Maxwell:

On November 15, 2021 Avista filed with the Commission an electronic copy of the Company's revisions to the Schedule 151 tariff sheet in compliance with the Commission's Order No. 01 in the above referenced docket. The tariff sheet reflected a decrease in the natural gas line extension allowance to reflect a modification of the existing line extension allowance amounts to incorporate a net present value (NPV) of seven years as ordered by the Commission. After discussions with Commission Staff, the Company is requesting to move the effective date of the tariff from November 24, 2021 to December 3, 2021 in order to give the Commission more time to process the filing. There were no other changes to the originally filed tariff other than the extended effective date.

Please direct any questions to Joe Miller at 509.495.4546.

Sincerely,

/s/ Patrick Ehrbar
