**Docket UE-220216
Puget Sound Energy
PSE 2022 SQI No. 11 Penalty Mitigation Petition**

Public Counsel Data Request No. 006:

Has the Company conducted any geographic analysis to determine whether the longest emergency response times were concentrated in specific parts of the service territory? Specifically, were longer emergency response times concentrated in areas with larger concentrations of highly impacted customers and/or vulnerable populations?

- a) If Puget Sound Energy (PSE) has conducted this type of analysis, please provide the findings.
- b) If PSE has not conducted this type of analysis, please explain why not.
