Bench Request Data Request 1 – 2<sup>nd</sup> Supplemental

### **Bench Request Data Request 1**

By Order 04, *Prehearing Conference Order*, entered June 17, 2010, PacifiCorp was directed to file certain exhibits in a separate electronic spreadsheet file including all linked files with all formulas and formatting in every spreadsheet intact. PacifiCorp provided supplemental information but the information provided links only to values, not to the underlying formulas and workpapers to support the adjustments. Moreover, the Commission Staff's and ICNU's workpapers filed in support of their cases do not include formulas or detailed support.

Please submit the balance sheets and income statement with supporting workpapers used to support all proposed adjustments. The resubmitted file(s) must be in Excel format and include all linked files with all formulas and formatting in every spreadsheet intact (formulas not converted to values or otherwise modified from original). Please provide the requested file(s) on a CD.

### **2<sup>nd</sup> Supplemental Response to Bench Request Data Request 1**

Please refer to Attachment Bench Request 1 2<sup>nd</sup> Supplemental on the enclosed CD for a copy of supplemental workpapers referenced and discussed in the Supplemental Rebuttal Testimony of Company witness R. Bryce Dalley (Exhibit No. \_\_\_ (RBD-9T) filed on December 10, 2010.

The files on the enclosed CD are linked. To ensure full functionality of the files, all of the files must remain in their original directories (folders).
