In accordance with the Notice of Errata to Order 07, PacifiCorp d/b/a Pacific Power & Light Company (PacifiCorp) submits the following replacement tariff sheets, with an effective date of November 7, 2024. The only change that has been made to the filing on October 30, 2024, is that the rate effective date at the bottom of the tariff sheet has been updated to reflect the guidance provided in the errata. There has been no change to any of the rates or calculations contained in the October 30, 2024 filing. There is simply a change of date from November 1, 2024, to November 7, 2024. This date is consistent with WAC 480-07-880(4), which allows responses to the compliance filing to be filed within five business days (November 6, 2024).

The revised tariff sheets are designated as follows:

		Adjustment
Second Revision of Sheet No. 99.1	Schedule 99	Production Tax Credit Tracker
		Adjustment
