COMMUNICATIONS SECTION

RE: WUTC vs. Westgate Communications, LLC d/b/a WeavTel,  
UT-060762, UT-060920, UT-060921 (consolidated)

Attn Judge Moss:

Pursuant to WAC 480-07-385, WeavTel requests a continuance of the date for filing its direct testimony from November 17, 2006, to November 28, 2006.

The reason for the continuance is that WeavTel has recently retained a new consultant to help in the preparation of its' case, and the new consultant requires additional time to prepare testimony.

Staff agrees to this request and agrees that no other change to the schedule is necessary at this time.
