FIFTH SUPPLEMENTAL ORDER
APPROVING COMPLIANCE
TARIFF FILING

On July 22, 1996, the Commission entered its Fourth Supplemental Order in the above captioned and docketed consolidated proceedings accepting and approving the parties' Settlement Agreement fully and permanently resolving all issues in these matters. The Order rejected in their entirety the tariff revisions then under suspension and ordered the re-filing of tariffs consistent with the Settlement Agreement and the Commission's Order.

On July 24, 1996, Cascade Natural Gas Corporation filed tariff revisions purporting to comply with the Commission's Fourth Supplemental Order. Commission Staff has reviewed the Company's compliance tariff filing and finds it complies in all respects with the Commission's Order.

The Commission finds that the tariff revisions filed with the Commission by Cascade Natural Gas Corporation on July 24, 1996, are consistent with the Settlement Agreement accepted and adopted by the Commission in its Fourth Supplemental Order and are in compliance with the terms of that Order, and therefore concludes the tariff revisions should be approved as filed.

ORDER

THE COMMISSION ORDERS That the tariff revisions filed July 24, 1996, in these consolidated proceedings are approved effective August 1, 1996.
