Least Cost Planning Rulemaking, WAC 480-90-238  
Docket No. UG-030312;  
Chapter 480-107 WAC Rulemaking  
Docket No. UE-030423

TO INTERESTED PERSONS:

On April 22, 2005, the Commission issued a notice to all interested persons scheduling a stakeholder workshop in the above rulemaking dockets for June 7, 2005. The Commission has learned from various stakeholders that this date conflicts with another workshop scheduled with the Oregon Public Utility Commission. In order to give other stakeholders an opportunity to participate in this workshop, the Commission feels it is necessary to reschedule the workshop currently scheduled for June 7, 2005, to **Thursday, June 9, 2005**.

We encourage your attendance and participation in the stakeholder workshop to be held **Thursday, June 9, 2005**, in Room 206 at the Commission's headquarters, beginning at 9:30 a.m. Free parking is available. The Commission's address is:

Washington Utilities & Transportation Commission  
1300 South Evergreen Park Drive SW  
P.O. Box 47250  
Olympia, Washington 98504-7250

If you cannot attend the workshop, you can arrange to dial into the Commission's conference bridge at **(360) 664-3846**. The conference bridge, however, is limited to 23 access lines.

Questions may be addressed to Graciela Etchart at (360) 664-1310 or e-mail at <getchart@wutc.wa.gov>.

Sincerely,

CAROLE J. WASHBURN
